(Archit on the stands.
With the prosecutor and
the defender.)

JUDGE

Order!! Order!! Maintain silence in
the court, please. Prosecutor
continue.

PROSECUTOR

(In a high tone) My lord!!! Aaj ke
samay par, aapne kayi kahaniyan suni
hongi, kayi kisse sune honge, lkin
aaj!! Main aapko batana chahungi, is
murder ko ek bhut hi hyperactive
case banake pesh kiya jaa rha hai!!
Ye ek sochi samjhi saajish thi apne
dost ki hatya karne ki. And my lord
our victim AMAN has suffered the
same fate. Main as a jagruk nagrik,
yehi chahungi ki iss jaise psycho
killers ko khula na chora jaaye,
balki kari-se-kari saza di jaaye
taaki aage se koi aisi ghinauni chiz
karne ki Koshish bhi na kar paaye.

(Lawyer in an aggressive
manner pointing archit.)

(Archit sobs)

JUDGE

Defendant, please proceed.

DEFENDANT

(In a calm manner)

My lord!! Schizophrenia koi choti
issue ya road chalti virus nhi hai
jo kabhi bhi ho jaaye and kisiko
bhi. Isse na hi koi soch samajh ke,
Na hi kisi aur tarike se isse
present kiya jaa rha hai!! This
comes under BIPOLEAR MOOD DISORDER,
in which a person doesn't even know
the true nature of her or himself.
Afsos ki baat ye hai your honour ki
aaj bhi in the exquisite 21st
century, jaha humne itte revolutions
kar li, but hum apne aap ko hi
samajh nhi paaye. Hum Bari-Bari
baaton me insaan ki bhawnao ko hi
samajh ni paaye. (Pauses and takes
out her glasses and then again wears

it.) Your honour, Archit ne jo bhi
kiya, wo koi crime nhi hai, balki ek
mental disorder hai jisme ek insaan
akelepan me aake chizo ko imagine
karne lagta hai!! Uss insaan ki
manosthiti agar hum nhi samajhenge
toh shayad koi ni samajh paayega!!
Meri yehi darkhwaast rhegi is court
se, ki Archit ko ek murder ke roop
me na dekha jaaye, balki isse ek
problem ki tarah treat kiya jaaye
jiske liye hum tayar nhi hai!!

(Defendant Stops)

JUDGE

After hearing the defender and the prosecutor, The court has come to a conclusion. Schizophrenia hi sahi lekin court aman ki death ko ignore nhi kar skti, ye ek bhut hi serious issue hai, but justice has to be served to the family of aman. Iss hi liye ye adalat archit ko 12 saal ki Mental asylum bhejne ki saza sunati hai, aur dharkwast karti hai ki archit ko iski treatment zarur-se-zarur mile. The court is adjourned for the day.

(Hammer thumps.)

THE END.
